

DUTC Bad Weather Plan

Now that the weather is starting to turn a tad chilly we would like to reiterate our Inclement Weather Plan.

Any decision to close the Daventry UTC due to bad weather or the loss of an essential utility will be taken by the Principal, Mr Edmondson by 6:00am. We will endeavour to inform you of the closure via text message where possible, so please ensure that if you change your mobile number you inform the UTC.

We will also be contacting the Northamptonshire County Council who will publicise this on their website:
