Assessment Policy

Aim:

- To ensure that assessment methodology is valid, reliable and does not disadvantage or advantage any group of learners or individuals
- To ensure that the assessment procedure is open, fair and free from bias and to national standards
- To ensure that there is accurate and detailed recording of assessment decisions.

In order to do this, the centre will:

- ensure that learners are provided with assignments that are fit for purpose, to enable them to produce appropriate evidence for assessment
- produce a clear and accurate assessment plan at the start of the programme/academic year
- provide clear, published dates for handout of assignments and deadlines for assessment
- assess learner's evidence using only the published assessment and grading criteria
- ensure that assessment decisions are impartial, valid and reliable
- not limit or 'cap' learner achievement if work is submitted late
- develop assessment procedures that will minimise the opportunity for malpractice
- maintain accurate and detailed records of assessment decisions
- maintain a robust and rigorous internal verification procedure
- provide samples for standards verification as required by the awarding organisation
- monitor standards verification reports and undertake any remedial action required
- share good assessment practice between all BTEC programme teams
- ensure that BTEC assessment methodology and the role of the assessor are understood by all BTEC staff
- provide resources to ensure that assessment can be performed accurately and appropriately.
